The Power of Community

The theme of our AGM focuses on how charities can work with local health partners to encourage people to stay active and well in the community. Jackie Rowbottom, Macmillan Cancer Support and Information Specialist, will share the concept of Community Beacons and how we can all work more closely together to support people living with and beyond cancer.

We'll also be hearing from some amazing volunteer ambassadors for our successful volunteering projects Community Fit, Help Out Harrogate and Power of 10.

The event ends at 2pm.
